Journey of 15 Years

From the Desk of Mr. Aunali Rupani,

9th May is a very special day for all of us at arm research. The foundation for arm was laid on this very day way back in 1996. On the occasion of our foundation day, I would like to express my gratitude to everyone who have been part of this 15 year journey.

It is because of your very presence this journey has been most exiting & rewarding. As we all know that no journey is without obstacles, thus seek forgiveness for any act unknowingly also, which was not appreciated.

It is because of the dedication of the army of arm research that today we have made our foot prints on the Indian Equity Market.

On this occasion, I would like to announce that, we would begin construction of our Corporate office **arm wood-9** located at Juhu very shortly.

And I seek your warmth and good wishes in times to come.

With warm memories,

Aunali Rupani

Director
